DECISION AWARDING DAMAGES¹

On November 9, 2012, petitioners filed this petition for compensation on behalf of their minor son, T.A., under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioners alleged that the measles

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access. Because this unpublished decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

mumps rubella (MMR) vaccine caused a Table encephalopathic event, resulting in permanent injuries including the amputation of both of his legs. (ECF No. 1.) The case was assigned to Special master Laura Millman. On May 13, 2014, petitioner filed an amended petition, alleging a Table injury of encephalopathy and a Table injury of thrombocytopenic purpura leading to systemic inflammatory response syndrome ("SIRS"). (ECF No. 33.) On August 16, 2018, Special Master Millman issued a decision on entitlement in this case, finding that petitioner is entitled to compensation for his SIRS, shock, multiorgan dysfunction syndrome, and bilateral amputation of his legs. (ECF No 117.)

On January 24, 2020, respondent filed a proffer on award of compensation ("Proffer") indicating petitioner should be awarded: a lump sum payment of \$319,976.01 representing compensation for pain and suffering (\$250,000.00) and life care expenses for Year One (\$69,976.01); a lump sum payment of \$15,551.47, representing compensation for past unreimbursable expenses; a lump sum payment of \$311,507.41, representing compensation for satisfaction of a State of Arkansas Medicaid lien; and an amount sufficient to purchase the annuity contract as described in the Proffer. (Proffer at 3-4.) In the Proffer, respondent represented that petitioners agree with the proffered award. *Id.* Based on the record as a whole, I find that petitioners are entitled to an award as stated in the Proffer.

Accordingly, pursuant to the terms stated in the attached Proffer and accompanying Appendix, I award:

- **A lump sum payment of \$319,976.01, representing compensation for pain and suffering (\$250,000.00) and life care expenses for Year One (\$69,976.01), in the form of a check payable to petitioners as guardian(s)/conservator(s) of T.A., for the benefit of T.A.**
- **A lump sum payment of \$15,551.47, representing compensation for past unreimbursable expenses, in the form of a check payable to petitioners, Doug Ahlum and Kari Ahlum.**
- **A lump sum payment of \$311,507.41, representing compensation for satisfaction of a State of Arkansas Medicaid lien, payable jointly to petitioners and Arkansas Medicaid, and mailed to:**

RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

In her Ruling on Entitlement issued on August 16, 2018, Special Master Millman found that a preponderance of the evidence supported petitioners' claim that a measles, mumps, rubella (MMR) vaccine administered to T.A. on August 11, 2011, caused him to develop a systemic inflammatory reaction syndrome (SIRS), that led to subsequent shock, multi-organ dysfunction syndrome, and bilateral amputation of his legs. Respondent now proffers the following regarding the amount of compensation to be awarded.¹

I. Items of Compensation

A. Life Care Items

The respondent engaged life care planner, Linda Curtis, RN, MS, CCM, CLCP, and petitioners engaged Roberta Hurley, BS. Ed., to provide an estimation of T.A.'s future vaccine-injury related needs. For the purposes of this proffer, the term "vaccine related" is as described

¹ The parties have no objection to the amount of the proffered award of damages. Assuming the Special Master issues a damages decision in conformity with this proffer, the parties waive their right to seek review of such damages decision. However, respondent reserves his right, pursuant to 42 U.S.C. § 300aa-12(e), to seek review of the Special Master's August 16, 2018, Ruling on Entitlement.

in the Special Master's Ruling on Entitlement. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the attached chart entitled "Appendix A: Items of Compensation for T.A."² Petitioners agree.

B. Lost Future Earnings

The parties agree that based upon the evidence of record, T.A. will more likely than not be gainfully employed in the future. Therefore, respondent proffers that T.A. should not be awarded lost future earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(B). Petitioners agree.

C. Pain and Suffering

Respondent proffers that T.A. should be awarded \$250,000.00 in actual pain and suffering. See 42 U.S.C. § 300aa-15(a)(4). Petitioners agree.

D. Past Unreimbursable Expenses

Evidence supplied by petitioners documents their expenditure of past unreimbursable expenses related to T.A.'s vaccine-related injury. Respondent proffers that petitioners should be awarded past unreimbursable expenses in the amount of \$15,551.47. Petitioners agree.

E. Medicaid Lien

Respondent proffers that T.A. should be awarded funds to satisfy a State of Arkansas Medicaid lien in the amount of \$311,507.41, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Arkansas may have against any individual as a result of any Medicaid payments the Arkansas Medicaid Program has made to or on behalf of T.A. from the date of his eligibility for benefits through the date of judgment in

² The chart at Appendix A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

this case as a result of his vaccine-related injury suffered on or about August 24, 2011, under Title XIX of the Social Security Act.

II. Form of the Award

The parties recommend that the compensation provided to T.A. should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Special Master's decision and the Court's judgment award the following:³

A. A lump sum payment of \$319,976.01 representing compensation for pain and suffering (\$250,000.00), and life care expenses for Year One (\$69,976.01), in the form of a check payable to petitioners as guardian(s)/conservator(s) of T.A., for the benefit of T.A. No payments shall be made until petitioners provide respondent with documentation establishing that they have been appointed as the guardian(s)/conservator(s) of T.A.'s estate. If petitioners are not authorized by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of T.A., any such payment shall be made to the party or parties appointed by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of T.A. upon submission of written documentation of such appointment to the Secretary.

B. A lump sum payment of \$15,551.47, representing compensation for past unreimbursable expenses, in the form of a check payable to petitioners, Doug Ahlum and Kari Ahlum.

C. A lump sum payment of \$311,507.41, representing compensation for satisfaction of a State of Arkansas Medicaid lien, payable jointly to petitioners and Arkansas Medicaid, and mailed to:

³ Should T.A. die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, lost future earnings, and future pain and suffering.

Petitioners agree to endorse this payment to Arkansas Medicaid.

D. An amount sufficient to purchase the annuity contract,⁴ subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Appendix A attached hereto, paid to the life insurance company⁵ from which the annuity will be purchased.⁶ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioners only so long as T.A. is alive at the time a particular payment is due. At the Secretary's sole

⁴ In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

⁵ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A. M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;

discretion, the periodic payments may be provided to petitioners in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Appendix A describe only the total yearly sum to be paid to petitioners and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Appendix A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioners agree.

2. Life-Contingent Annuity

The petitioners will continue to receive the annuity payments from the Life Insurance Company only so long as T.A. is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of T.A.'s death.

3. Guardianship

No payments shall be made until petitioners provide respondent with documentation establishing that they have been appointed as the guardian(s)/conservator(s) of T.A.'s estate. If petitioners are not authorized by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of T.A., any such payment shall be made to the party or

parties appointed by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of T.A. upon submission of written documentation of such appointment to the Secretary.
